

MORRISVILLE WATER DEPT. FLUSHING OF WATER MAINS

Flushing of water mains will take place in the areas shown below between
7:00 A.M. and 5:00 P.M.

Residents in the area being flushed, and the adjacent areas, may notice a slight discoloration in the water and low water pressure during the period when flushing is in progress. Flushing is conducted semi-annually to clean mains and the disturbance, if any is less than an hour duration. Residents are advised to refrain from using water for drinking, cooking, home dialysis or clothes washing while the flushing is in progress.

FLUSHING SCHEDULE

- AREA 1 Oct. 12/13
- AREA 2 Oct. 13/14
- AREA 3 Oct. 14/15/16
- AREA 4 Oct. 16/19/20
- AREA 5 Oct. 20/21/22
