FEBRUARY, 2021

SHUT-OFF NOTIFICATION

Dear Customer:

In addition to information made publicly available on the Borough cable TV channel, the Morrisville Municipal Authority (MMA) website, and in some Facebook sites; by now you also should have received several written notifications that the MMA has contracted with VEPO Metering to install new water meters and related equipment. There are no separate or additional charges or costs to customers for these improvements.

THE TIME FOR COMPLIANCE WAS EXTENDED BEYOND DECEMBER 31, 2020
BECAUSE OF BOTH WEATHER AND PANDEMIC PRECAUTIONS.

If you are receiving this notification, however, you still have not made an appointment to have your equipment replaced or upgraded.

The upgrade is mandatory. All customers – residential, commercial, and industrial – must cooperate.

PLEASE CONTACT VEPO at 877-860-8376 or www.Vepometering.com IMMEDIATELY. They will schedule a time and date to perform the work.

If you do not contact VEPO by MARCH 1, 2021, you will:

- (1) **Be charged \$50.00** per month thereafter in addition to your regular water and sewer bill; and
- (2) After receiving another 10-day door-hanger tag reminder, **your water will be shut off.**

THIS NOTIFICATION IS BEING PROVIDED BY MAIL TO THE BILLING ADDRESS; IT IS BEING TAPED TO AN ENTRY DOOR TO THE SUBJECT PROPERTY, AND IT IS ACCOMPANIED BY A "HANGER TAG" NOTIFYING OF THE PLAN TO SHUT OFF WATER.

IF ANY CUSTOMER BELIEVES THEY HAVE RECEIVED THIS NOTIFICATION IN ERROR
PLEASE CALL THE MMA IMMEDIATELY.
